

ZERMATT MOGUL & FREESTYLE CAMP

28.10.19 - 02.11.19

MOGULS & FREESTYLE

Have you ever skied to the top of a run only to find a huge field of mini igloos or a huge jump standing in front of you? That is what Moguls & Freestyle are all about, they are among the greatest challenges a skier can come across on the mountain. But they do not need to be as difficult as they seem. With the correct technique impossible slopes and jumps will be a thing of the past.

COACHING

An individualised approach to coaching is what we believe provides the best environment for our campers to thrive. One to one video analysis will be provided after each ski day. Our coaches, that include World Cup Mogul Skiers, will work with you to achieve your goals and have you smiling along the way.

LEVEL

Our camp caters for all skier levels, whether you are a complete beginner or are already ripping the bumps we will help boost your skills and confidence.

TERRAIN

We rotate on a 6 man chairlift which drops us off just above our private 2 to 3 line mogul course. After shredding the bumps you can ski into a full size winter snowpark or practice those flats exercises your coach has had you working on.

ACTIVITIES

If you still have enough energy after all this we also offer an afternoon Bike Tour and BBQ. Other activities can be provided upon request.
